About the College

M.M.H College, Ghaziabad is a reputed educational institution in Western Uttar Pradesh, situated in the National Capital Region. College was established by a social reformer H.H. Shri Bhawanand Giri Ji Maharaj in 1948 to provide educational opportunities to the downtrodden classes of the society. The

vision of the College is to produce responsible citizens of the society and the nation through educational empowerment. The College is a Grant-in-aid institution and affiliated to Chaudhary Charan Singh University, Meerut, Uttar Pradesh. It is a co-educational College catering education at under-graduate, post-graduate and doctoral levels, comprising enrollment of handsome strength of students about 7200 in four streams viz. Science, Arts & humanities, commerce, Legal studies and physical education. College has a vast infrastructure, spread over an area of 13.58 acres in Ghaziabad city. There are three units of NCC and NSS. In sport activities at university, state and national levels our students have achieved a milestone. An excellent teaching staff of 90 professors, 20 associate professors and 30 assistant professors have been delivering their best to achieve the goal of the college. So far more than 1500 students awarded PhD degree in various streams and presently more than 100 students are pursuing PhD course through JRF/UGC/CSIR. There is a vibrant registered alumni platform in the college.

Department of Physics at a glance

Department of Physics is a premier FIST sponsored department, was established in 1958 and is catering education at bachelor, master and research levels. A good strength of 15 professors of the department have supervised more than 50 students for their Ph.D. degrees and have published a bulk of research papers in various journals of National and International repute. Several research projects funded by UGC, DST, BRNS-DAE have been completed so far. NCSTIR-26 is the second edition of the organizing national conferences in the department. The first one National Conference on Atomic, Molecular and Nuclear Physics (NCAAMNP) totally funded by UGC, INSA, CSIR and DAE was organized during Nov. 7- 9, 2009 and its proceeding was published in Indian Journal of Physics Vol.12 (2011) (Springer Verlag Publication).
